Headquarter of Samoa-Hallbauer GmbH in Viernheim.

A cut above.

Through the merger of HALLBAUER with over 100 years of experience, with SAMOA Industrial S.A., founded 1958 in Gijón (Spain), the foundation stone for a comprehensive service and a versatile product portfolio, was laid.

As a full-range supplier for handling of fluids especially of lubricants and greases, the Samoa Group stands for fair partnership, sustainable manufacturing and first-class product quality. Thereby our production base is state-of-the-art, so that we produce products with the greatest performance and most environmental sustainability.

The products of SAMOA-HALLBAUER and the SAMOA Group are used in more than 100 countries all over the world, especially in industry, automotive and other areas. Our aim is to provide the best possible service to all users of our products.

Besides product quality and customer satisfaction, employees and social engagement are of prime importance for SAMOA-HALLBAUER.

We offer a healthy and secure working environment for our employees and contribute to the future generation by being a training company.

Furthermore we commit ourselves socially by supporting non-profit organizations such as Life Aid in Viernheim. We donate on a regular basis to the German blind people relief organization, Caritas, the local branch of the German Red Cross and the local voluntary fire brigade. By doing so we would like to show our social engagement especially in our area.
